

Target® KID ZONE/ACTIVITY APPLICATION

April 21 - 22, 2012 ↻ Saturday & Sunday, 10:00 am – 5:00 pm

Yes! We would like to participate in the Kid Zone and agree the sole purpose of our participation is to encourage and foster fun with creative arts in kids attending the Festival.

We agree to provide a no-charge art themed activity(s) for kids attending the Festival and our acceptance into the event is based solely on the merit of our planned activity.

Our organization agrees that we will not sell anything – products, memberships, etc. or charge for any services during our participation in the Festival’s Kid Zone. We understand that we are limited to providing information about our organization only.

We acknowledge that the Kid Zone Featured Sponsor is Target®. Our organization will be listed in the Festival Program and promoted as space allows.

Our participation in the Festival provides the following benefits:

- Outreach opportunities to a community of kids (and their parents) interested in art
- One 8’ table and two chairs delivered to booth space
- Badges for two staff
