

Children's Art Programs Pop-Up Studio 2017 APPLICATION

April 15 & 16 ↻ Saturday 10am – 7pm & Sunday, 10am – 5pm

The purpose of the Children's Art Programs Pop-Up Studio area is to encourage and foster educational fun with creative arts in our youth. All the projects are open-ended and emphasize the process and the importance of creativity within the process of making art.

Ten Pop-Up Studios will be accepted in this area of The Village, each representing a specific medium of the visual art processes/techniques presented in the main festival. As a participant you will provide children (with their families) a no-charge make-and-take art activity in a specific medium.

- We agree to provide a no-charge art themed activity on both days of the two-day event and understand acceptance is based solely on the merit of our activity. (Merit Criteria: highly creative and allow for individual outcomes)
- Our organization agrees that we will not sell any products or charge for any services during our participation. We understand that we are welcome to provide information about our organization, along with the activity for children.
- We acknowledge that the Children's Pop-Up Studios is a paid Festival sponsored area which receives exclusive sponsor recognition. Our organization will be listed in the Festival Program and promoted as space allows.
- Our participation in the Festival provides the following benefits:
 - Outreach opportunities to a community of kids (and their parents) interested in art
 - One 8' table and two chairs delivered to booth space
 - Two Badges for staff and One reserved Parking Pass
 - Up to 25 Chain of Parks PosterCards available for pre-show promotion (pickup at LeMoyne)
